

CREATING SACRED SPACE: Art + Alchemy + Light Activation

SATURDAY, NOVEMBER 13, 2010 ~ 4-8 PM

7 Florida Avenue, Weaverville, NC 28787

(just off of Main Street behind Shope's Furniture, next to Weaverville Yoga & Well-Bred Bakery).

You're invited. Now is the time to harness the power of the group to amplify your Soul's Note. Join us for an evening of channelling, shared art process and playful experimentation to awaken the creative flow of our own and collective optimal futures.

In four fun hours, we will co-create sacred space, tap participants' creativity, and share channelled insights from Light Beings seeking to inspire us at this unique time in history.

Experience

- Creative "dis-inhibition"
- Channelled communications that awaken individual & creative light
- A powerful collage process as a template for your Soul's dream
- Celebration and honoring of each participant's gifts

The Benefits

- Take away with you a clearer sense of your Soul's unique gifts
- Create a visual and written record of your own light
- Experience the honoring that is unique to the group light
- Identify and dissolve constrictions that inhibit your Soul's expression

Cost is \$75.00. Limited scholarships may be offered in special cases. For those wishing to share a meal following the event, a delicious vegetarian meal can be provided (\$10.00). Please arrive 10 to 15 minutes early in order to settle in before we begin. Space is limited so please RSVP by Thursday, November 11th to Pamela at 828.768.9094. Please indicate if you would like to join us for dinner!

Kathy Davison is a psycho-spiritual guide who uses art in her work with clients to open their channels to a larger world of connections. She resides in Texas.

Mariefrance Cote is a therapist and spiritual facilitator who specifically translates input from the beings of light to assist people in their connection to their life spirit. She resides in California.

Pamela Paddock is an artist who uses the creative process to unite spiritual energies with earthen materials. She resides in the magical Reems Creek Valley in Weaverville, NC.
